About Us

With over 30 years of focus on security in Asia, ADEMCO is synonymous with innovative solutions and an established service infrastructure.

We are committed to supporting our customers in meeting the dynamic challenges of security in Asia, developing unique security insights across different industries and providing long term, sustainable support to our valued customers.

iOmniscient: See Through the Crowd

Energy plants, buildings and critical facilities face challenges in ensuring sustainable and effective 24hrs surveillance.

Unlike conventional surveillance, iOmniscient's video analytics uses **advanced intelligence** in detection of pre-defined threats.

Applications:

- Behavior analysis & tracking (e.g. loitering)
- Violations (e.g. illegal parking, speeding, wrong directions)
- Accident (e.g. slip & fall)
- Intruders detection
- Non-motion detection (e.g. unattended baggage)
- Missing or removed objects detection
- Crowd Management

DMP Clear Touch: Security with Style

A new favorite to designers, DMP Clear Touch is truly an innovation in **touch-screen LCD keypads**. It offers equal sophistication in design and security.

- Aesthetically designed
- Blue wall lighting turns Red in alarm conditions
- Remains armed after silencing
- Visual and audible alarm notification
- 3 selectable panic icons: Police, Emergency and Fire
- Compatible with all DMP panels

Case Study: [Pinnacle@Duxton](#)

Security solutions needed for the tallest HDB development in Singapore, was awarded to ADEMCO in 2009.

This iconic architecture is the first government residential project complete with **comprehensive security solutions**, including Access Control, CCTVs, turnstiles and public tickets balloting for access to the sky bridges.

ADEMCO is also the appointed Managing Agent.

Commendation: SMRT Trains Ltd

ADEMCO is proud to receive a letter of commendation from SMRT Trains Ltd in Dec 2009, as an appreciation to our security officers - **Mr. Mohmad Shah Bin Hashim** and **Mr. Wee Li Meng**, for their vigilance and efficiency in a planned exercise between SMRT and Singapore Police Force.

ADEMCO's Guard Division has been awarded Grade A from 1 December 2009.

Events: Ademco Security Seminar coming in mid-May 2010

Ademco will be having our first **security seminar of 2010 in mid-May!** We will be having prominent speakers from our manufacturers to make this event a valuable sharing session with you.

Ademco's Green Initiatives

An online [self-service portal](#) was established in Dec 2009 to facilitate our customers' feedback. At the same time, our technical professionals are equipped with laptop individually to provide enhanced service and on-site real-time web reporting. This initiative not only enhanced our service level to customers but also reduced the use of paper.
