ADEMCO Projects: Resorts World Manila

Resorts World Manila is Asia's newest playground, a modern live-work-play community and the first integrated tourist hub in the Philippines.

This project had been awarded in 2009, to ESSCOR, a subsidiary of ADEMCO in the Philippines. A fully integrated access control management system was provided, including Intrusion Detection, CCTV and Attendance System.

Hotels, Casinos, Offices of RWM are also secured with Smart Card Readers.

ADEMCO Projects: WE Cinema (Suntec City)

To provide patrons with a more prominent image, WE Cinema (Suntec City), formerly known as Eng Wah Cinema, had ceased operation in February and had undergone a major "facelift" for two months.

ADEMCO is proud to have participated in this "surgery" and have provided them solutions on the security aspects, which include Intrusion Detection System, monitoring system and CCTV.

Commendation: Guangyang Secondary School

ADEMCO received an email of commendation from Guangyang Secondary School in April 2011, as an appreciation to our security officers – Mr. Desmond Kho and Mr. Tan Guofeng for their vigilance and professionalism in attending to an emergency.

To quote: *"The exemplary actions and courage of your*

staff are indeed a reflection of the service and quality standards of your organization.”

ADEMCO's Guard Division has been awarded Grade A since December 2009.

Announcement: ADEMCO has a new office in Cebu City!

ESSCOR is expanding its operations to Southern Philippines with a new office based in Lahug, Cebu City.

Charm Tolentino, Sales & Marketing Manager: “*...fast-growing metropolis, enterprises in Cebu City recognize the importance of security solutions as a necessary investment in their businesses.*”

ESSCOR is one of the Philippines' pioneering security solutions providers – counting almost 50 years of operations. It was assumed into the **ADEMCO Security Group** of Companies in 2010.
